

CONDITIONS OF SALE BY AUCTION / EXTRACT FROM THE GENERAL TERMS AND CONDITIONS - AUCTION SALES

The auction is conducted according to the terms of the General Terms and Conditions - Auction Sales <http://www.dorotheum.at/footer/agb.html> of the Dorotheum GmbH & Co KG, (hereinafter called „the DOROTHEUM“) and the pertaining Tariff, which forms an integral part thereof.

The auction may be conducted by the DOROTHEUM in its own name, on a commission basis or as an agent (in the name and for the account of the Consignor). The DOROTHEUM reserves the right to withdraw any lot or lots from the auction until the acceptance of a bid or change descriptions and prices, if there are important reasons to do so. Potential Buyers may request a condition report prior to the auction. If the DOROTHEUM forwards condition reports drawn up by third-party experts, any liability for correctness is excluded.

The Auctioneer has the right to exceptionally divide or combine any lot or lots, offer any lot or lots in a two-step bidding process or withdraw any lot or lots from the sale or conduct the auction disregarding the scheduled sequence. In the event of a two-step bidding process, the items concerned will be expressly announced and, in a first step, offered individually. The highest bids and the respective highest bidders will be noted down but no bid will be accepted as yet. The individual items will then be combined into a single lot and offered as a collection, taking into account the highest bids already received as well as the reserves fixed for any items for which no bids have been placed. The lot will then be awarded at the highest bid placed for the collection or the highest bids placed for the individual items, whichever results in a higher price being realized taking into account the reserves fixed for any lots for which no bids have been placed.

In the descriptions, either the starting price will be stated or the price range that the expert assumes as a rough guide without binding force and within which he or she expects the highest bid (hammer price) will be placed, in each case in euros.

Usually, bidding starts at half the lower estimate, but the starting price can range from half the lower estimate to the lower estimate itself. Usually, bidding takes place by increasing the starting price or the preceding bid by about 10%. Bids can be accepted as final even if they are lower than the highest bids expected by the expert. The highest bidder shall be the successful bidder, provided that the amount of a reserve price agreed with the Consignor has been reached. If, on the occasion of the bidding, the bidding price is gradually reduced, the bidding process will start with the first valid offer. If only one bidder places a bid, such bid will be accepted. The acceptance of a bid may be made conditional on the fulfillment of conditions.

The decision as to whether a bid is accepted in case of a dispute, in case of alleged matching bids, if a bid was overlooked or went unnoticed or was otherwise disregarded, or if the Auctioneer was mistaken about whether or not a bid had been placed, shall lie exclusively with the DOROTHEUM. The DOROTHEUM shall have the right to cancel the acceptance of a bid either during the auction or within 3 working days thereafter for such reasons and to re-offer the item during the same or a subsequent auction.

For all items, the following shall be charged in addition to the highest bid (hammer price):

- buyer's premium (surcharge)
- Value-added Tax
- any resale right royalty that may arise (marked with the symbol * in the catalogue)

The buyer's premium shall be as follows:

a) for items subject to margin tax (not specially marked in the catalogue/in the description) or for sales where the Dorotheum acts as an agent (marked with a "V" ["Vermittlung" = agent sale] in the catalogue/in the description):

up to an amount of EUR 100,000:	28% of the hammer price
for the amount exceeding EUR 100,000:	25%
for the amount exceeding EUR 1,000,000:	15%

In these cases the buyer's premium includes the statutory VAT (Example at the end of the page¹)

b) for fully taxable items (marked in the catalogue/in the description with the symbol „+“ „-“ or „#“):

up to a hammer price of EUR 100,000:	23,34% of the hammer price
for the amount exceeding EUR 100,000:	20,84%
for the amount exceeding EUR 1,000,000:	12,5%

In the case under (b), the statutory VAT is calculated based on the total price (hammer price plus buyer's premium and a possible resale right royalty) and is added to the price. (Example at the end of the page²)

The statutory VAT in Austria is 20% for items marked with the symbol „+“, 13% for items marked with „-“ and 10% for items marked with „#“.

However, in the case of deliveries to buyers who are not subject to VAT, if the purchased item is sent to a Member State of the European Union the VAT of the country of delivery applies.

For items for which the Dorotheum acts as an agent in the sale ("V" for "Vermittlung" = agent sale), VAT cannot be refunded in case of export to non-EU countries.

VAT may only be reclaimed in the case of lots which are not specially marked or are marked with either of the symbols „+“, „-“ and „#“, provided the sale is made to a country which is not a member of the European Union (third country), the legal requirements are satisfied and proof of export is supplied.

Delivery to companies which are subject to VAT and have their registered seat in a member state of the European Union (except for delivery to companies domiciled in Austria and lots subject to margin tax) is subject to the acquisition tax applicable in the respective country of destination. In such case, the delivery of lots marked with either of the symbols „+“, „-“ and „#“ within Austria is exempt from VAT, provided the DOROTHEUM is informed of the Buyer's applicable VAT registration number prior to the

acceptance of the bid.

Please note: For lots sold after the auction, the buyer's premium will be increased by 2%.

The Buyer is obligated to pay the purchase price (hammer price plus buyer's premium and VAT as well as any applicable resale royalty surcharge) in cash immediately after the lot has been awarded. At the discretion of the DOROTHEUM, payment can be deferred by way of exception. Deferral of payment may be made conditional on an appropriate deposit. If deferral of payment is denied, the acceptance of a bid may even be subsequently revoked and the item re-offered for sale during the same or a subsequent auction. If the acceptance of a bid is revoked, the DOROTHEUM shall also have the right to subsequently accept the last bid of the bidder who placed the second highest bid. If a deferred purchase price is not paid within the stipulated period, the Dorotheum shall be entitled to charge the purchaser interest on the arrears calculated daily from the beginning of the delay and charged quarterly. This interest shall be at the rate of 6 % per annum above the applicable "European Interbank Offered Rate (EURIBOR) / 3 months" for the preceding calendar quarter rounded to the nearest quarter percentage point. After a bid has been accepted, the Buyer shall be liable for the full and timely payment of the purchase price even if after the acceptance of the bid the Buyer informs the DOROTHEUM that he/she participated in the bidding process for a third party. If, at the Buyer's request, the DOROTHEUM issues an invoice to the designated third party, the DOROTHEUM thereby exclusively declares acceptance of a simple (additional) performance obligation of the designated third party without, however, granting such party any further rights such as claims to perform a set-off or retention rights, etc., and it is understood that the Buyer continues to be fully liable.

If, despite a reminder, the Buyer fails to discharge or fully discharge within the grace period granted to him/her the obligations incumbent on such Buyer under the purchase contract entered into with him/her, the DOROTHEUM shall, without prejudice to any other rights it may have, be entitled to do either of the following for itself and/or the Consignor:

1. continue to insist on the performance of the purchase contract and demand from the Buyer payment not only of the purchase price but also of any interest, costs and expenses, including the costs of legal counsel required to enforce performance of the purchase contract, or
2. withdraw from the purchase contract. In such case, the DOROTHEUM reserves the right, for itself and/or the Consignor, to demand from the Buyer compensation for the entire loss or damage caused by him/her, which after a substitute transaction in the form of a resale by seller (substitute sale) may be comprised in particular of fees, expenses and expenditure incurred and losses suffered on account of lower purchase prices, including all costs and expenses as well as the costs of legal counsel, etc., or
3. resell the item by auction for the account of the Buyer.

In the event of a substitute sale or resale by auction for the Buyer, the Buyer will be considered a Consignor with regard to the charges, premiums and commissions applicable to such transaction.

If the claim of the DOROTHEUM is not covered by the result of the substitute sale or resale by auction, the defaulting Buyer is liable for the loss.

The items purchased in the auction shall not be delivered and title thereto will not pass until the purchase price including all interest, charges, premiums, commissions, costs and expenses has been paid in full. All items purchased must be collected immediately. Small-size lots purchased in the auction and fully paid for shall be delivered immediately, but larger items may be collected on the following working day only. As from the acceptance of the bid until their collection, such lots shall be stored at the Buyer's risk. Packaging and shipping, if any, shall be at the sole risk and expense of the Buyer.

If items purchased in an auction are not collected within a period of 14 days after the acceptance of the bid, the DOROTHEUM is entitled to charge storage costs (1% of the hammer price per month if not indicated otherwise in the catalogue or during the sale) or store the item with a warehouse keeper at the risk and expense of the Buyer. If the Buyer or a carrier/forwarding agent commissioned by the Buyer fails to effect collection within a period of 90 days as from the date on which the bid was accepted, the DOROTHEUM is entitled to re-sell the purchased item by auction at the sole risk and expense of the Buyer and will consider the Buyer a Consignor with regard to the charges, premiums and commissions connected with such re-sale.

The description of the items to be sold by auction is based on subjective convictions of the experts, who will determine the starting prices accordingly. The statements made by the experts in such descriptions shall not create any warranty with respect to a particular quality or a specific value. The DOROTHEUM assumes no liability for any statements made in this connection, and in particular no liability in accordance with the criteria set forth in section 1299 et seq. of the (Austrian) „ABGB“ (General Civil Code). The DOROTHEUM also assumes no liability whatsoever in cases where the description was prepared and/or the price determined by the Consignor himself/herself or by non-DOROTHEUM experts and not by the DOROTHEUM, and in case of sales where it acts as an agent.

Where works of art, especially paintings and antique items are concerned, only such flaws and defects will be mentioned which significantly affect the artistic value.

Where the DOROTHEUM sells items in its own name, it warrants to Buyers that the information provided by the DOROTHEUM concerning authorship (designation of the artist), maker, time of making, origin, age, period, concerning the culture area where the object was made or used as well as materials of which the items are made, is correct subject to the following conditions: Such information will be deemed incorrect if it does not correspond to the commonly available scientific findings and the opinions of generally recognized experts. Such information will be deemed materially incorrect if an average

¹ Example for margin tax or agent sales:

Sale of an object at the hammer price of EUR 3,000, with resale right royalty → The gross price amounts to EUR 3,960 (hammer price of EUR 3,000 + buyer's premium of EUR 840 + resale right royalty of EUR 120)

² Example for a fully taxable item subject to 20% VAT (Country of delivery Austria):

Sale of an object at the hammer price of EUR 3,000, with resale right royalty → The gross price amounts to EUR 4,584 (hammer price of EUR 3,000 + buyer's premium of EUR 700 + resale right royalty of EUR 120 + VAT of EUR 764)

standard buyer would not have made the purchase had the respective statements been untrue. If, within a period of three years as from the date of the acceptance of the bid, the Buyer furnishes proof that such information provided by the DOROTHEUM is materially incorrect, the Buyer shall have the purchase price refunded concurrently with the return of the unchanged object.

For Buyers for which the transacted purchase forms part of their company's business activities, a further requirement is that immediately after the first legitimate doubts regarding the correctness arise they shall inform the DOROTHEUM accordingly. If the commonly available scientific findings and the opinions of generally recognized experts change up to the time of the Buyer's complaint and the handling thereof, the DOROTHEUM shall have the right in its sole discretion to either cancel the purchase at the Consignor's expense or reject the complaint.

If the item returned shows signs of damage or wear and tear that were not present at the time when the contract was entered into, the DOROTHEUM shall have the right to deduct reasonable repair costs and/or any reduction in value from the purchase price. If the Buyer has already used the item returned, the DOROTHEUM will, in addition, be entitled to receive a reasonable user fee.

Such warranty, or any other warranty made by separate declaration, is made by the DOROTHEUM in addition to the consumer's statutory warranty rights and rights in case of error and shall not limit such rights in any way. In case of used items, the period of statutory warranty for consumers is 1 year. Any other complaints and claims whatsoever concerning the price, quality and condition of the objects purchased at auction or claims for damages, to the extent that such claims are not already covered by the guarantee of authenticity, vis-à-vis the DOROTHEUM and the persons for whom it would have to guarantee in the absence of this disclaimer of warranty are excluded. The sole exception to this rule are claims in excess thereof arising under purchase contracts with consumers as defined by the (Austrian) „Konsumentenschutzgesetz“ (Consumer Protection Act), provided that such claims are based on gross negligence or deliberate acts of DOROTHEUM employees. In auctions of objects against which execution was levied any and all complaints are excluded by law.

The DOROTHEUM assumes no warranty or other liability in case of sales where it acts as an agent.

The Dorotheum reserves the right to use, in printed or electronic form, also for the purpose of generally advertising the business activities of the DOROTHEUM, any photographs and if applicable video recordings it may have produced on its own behalf of the consigned objects, without any right arising for the client to receive financial compensation therefrom. The DOROTHEUM shall be entitled to use, reproduce, distribute and make publicly available the photographs and video recordings by publishing them, for instance, in catalogues, magazines, folders, calendars, catalogues raisonnés, books, illustrations as well as promotional items and merchandising products of whatever kind, etc., without any restriction as to medium, territory, time or quantity - also without any relation or reference to the original act of realization or to provenance.

COPYRIGHT

All information (texts, descriptions, pictures, illustrations, etc.) and all advertising media of the DOROTHEUM are protected by copyright and are subject to intellectual property protection. Outside the limits of the law, they may not be treated, distributed, reproduced or processed or stored in databases unless with the express prior written consent of the DOROTHEUM. Moreover, the name DOROTHEUM is also protected by trademark rights registered at national and international levels. In case of infringement, the DOROTHEUM reserves the right to take corresponding action under civil law or penal law to protect its intellectual property. By acquiring an item at auction the purchaser shall not acquire exclusive license or exploitation rights under copyright law over and above title to the item purchased.

PLEASE NOTE

All items are used and subject to age-related wear and tear. Value-enhancing restoration - especially in the case of antiques - is not mentioned in the description. The description of the object does not indicate defects which are obvious (can be determined by mere viewing) or which are irrelevant for valuation. Any claims of the Buyer concerning such defects are excluded by law. There is no right of withdrawal in long-distance and off-premises sales (Fern- und Auswärtsgeschäfte-Rücktrittsrecht). Please note that the total amount of applicable transportation costs resulting from distance, size and content cannot be calculated at present.

Thank you for your understanding that we need to ask you for presentation of an official photo identification and possible further documents (for instance, an extract of the companies register/commercial register/beneficial owners register or respective documents/confirmations pursuant to the provisions of the relevant country/jurisdiction, if required).

Pursuant to our internal compliance regulations, Dorotheum does in general not accept payments from third parties that are not the winning bidders.

Absentee bids from clients unable to attend the auction in person are accepted by the competent departments of the DOROTHEUM or the brokers authorized by the DOROTHEUM.

Until further notice, the DOROTHEUM will accept absentee bids submitted in writing, by telephone, fax or electronically as a free service. At the auction, the DOROTHEUM shall bid for the client by increments, not exceeding, however, the bid top limit stated on the absentee bid. The DOROTHEUM reserves the right to refuse to accept absentee bids without having to disclose the reasons or to disregard absentee bids received by it. The DOROTHEUM is entitled to round up the limit to the next highest bidding increment. The absentee bid is binding in a sale after the auction until the end of the third working day after the auction or after the date of receipt. In a sale after the auction, the DOROTHEUM will be deemed to have accepted a bid in due time if the declaration of acceptance has been posted, faxed or given by telephone by the end of the third working day after the auction date or after the date of receipt, whichever is later.

The DOROTHEUM and the persons for whom it would have to guarantee in the absence of this disclaimer of warranty cannot be called upon to make up for loss or damage caused by slight negligence and are furthermore not liable to entrepreneurs for simple gross negligence. The DOROTHEUM assumes no liability for loss or damage caused by natural occurrence or force majeure, for loss or damage caused by prolonged storage times or for loss of profit. The DOROTHEUM shall be liable to the Buyer of any item for the loss thereof or any damage thereto in case of gross negligence but to entrepreneurs only in case of at least blatantly gross negligence of its employees and only up to the amount of the purchase price paid.

The place of performance shall be the business address of the branch / department where the legal transaction was entered into. The language of contract shall be German. All disputes arising shall exclusively be subject to Austrian substantive law. The UN Convention on Contracts for the International Sale of Goods (CISG) shall not apply.

All disputes arising directly or indirectly from an auction shall be referred exclusively to the Austrian court having local and subject-matter jurisdiction for Vienna 1st District. Consumers as defined by the Consumer Protection Act are subject to this agreement only if they have neither a residence nor a habitual place of abode in Austria and do not work in Austria and provided that this provision does not conflict with other regulations.
